

POLICY DEVELOPMENT SYSTEM

The Board endorses for use in this District the Policy development, codification and dissemination system of the New Hampshire School Boards Association.

This system serves as a general guideline for such tasks as policy research, the drafting of preliminary policy proposals, reviewing policy drafts with concerned groups, presenting new and revised policies to the Board for consideration and action, policy dissemination, policy evaluation, and the maintenance of a continuously updated and easy-to-use policy manual.

The Superintendent shall designate SAU staff to maintain the Board's policy reference files, to draft policy proposals as instructed by the Board and/or Superintendent, to maintain the Board policy manual, and to serve as liaison between the Board, the New Hampshire School Boards Association, State Board of Education, and other sources of policy research information.
