

LIAISON WITH SCHOOL BOARD ASSOCIATIONS

The Board Chair, or his or her designee, shall keep the Board fully informed of the affairs of the New Hampshire School Boards Associations. The Board Chair shall also keep these organizations informed of the Board's official positions on matters of common interest and concern.

In addition to establishing an informational liaison between itself and the school board associations, the Board shall officially be represented in associational affairs through the election of delegates and/or observers to the governing assemblies of these organizations.
