

DEPOSITORY OF FUNDS

All income payable to the District and all revenue received will be deposited with the Superintendent or his/her designee, who will credit it to the appropriate account.

The School Board will determine when other depositories are needed and will name them by resolution.

The value of funds in any single account will not exceed the amount guaranteed by the FDIC. Depositories will be selected only after careful review of fiscal practices and ability to meet the safety and service criteria of the District.
