ADMISSION OF TUITION AND NON-RESIDENT STUDENTS

Non-resident students may attend district schools when their attendance has been approved by the Sunapee School Board. Tuition will be charged at a rate set by the Board and will be billed annually in advance to the sending district and/or semi-annually to the parent/guardian responsible for payment. When a sending district is responsible for tuition, approval must be received in writing from the sending district indicating their responsibility for paying all or a specific portion of the tuition charged.

Under normal circumstances, the district will not provide transportation to and from school for non-resident and tuition students at district expense.
