Superintendent Search:

Shaun Carroll stated that the Board has contacted NESDEC and received two packets to help the Superintendent search process. One is for a guided search and the other is for a full search. If the Board waits too long in putting out for a Superintendent then they might need to go with an interim until one is found.

Sunapee Resident Jolyon Johnson, asked the Board with Sunapee being such a small district do they really need a full time Superintendent and even full time principals or assistant principals.

Shaun Carroll responded that Holly Norton, SMHS Assistant Principal, is retiring June 2014 and that the district does not plan on keeping that position full time. These are all the ideas that the Board would like to discuss.
