

HOW TO HELP YOUR CHILD WITH HOMEWORK

TUESDAY

**FEBRUARY
10th**

6:30 PM

Are you so frustrated with homework that you dread evenings in your home? Is homework a battleground in your house? Would you like some help?

In this program, Susan will offer tips, tools and strategies for reducing stress around homework for all ages. This program will be interactive and you will be invited to share your real-life situations and struggles.

Susan Cowan Morse is an educational coach and consultant based in New London, NH. She enjoys working with students of all ages through a strengths-based approach. While her specialty is AD/HD and executive functions, she works with a broad range of needs.
