

El pretérito - Grupo #4

- Group 4 is a bit different because there are several verbs that fit into this category. A few (but not all) are:

> Traer - **traj**
to bring
> Conducir - **conduj**
to drive
> Producir - **produj**
to produce
> Traducir - **traduj**
to translate
> Decir - **dij**
to say, tell

e imos
iste isteis
o eron

- Other verbs included in this category end in "-cir" or have "traer" as part of the verb (atraer, etc.)
- The endings for these verbs are not all the same as the other 3 groups.
