

## El pretérito de los verbos -ar

- The Preterit tense is used to express things that have happened in the

Past

- > Ej: **I** talked on the phone. She walked to the store.

- To form:

> Cut off -ar

> Then add:

é                      amos  
aste                  asteis  
ó                      aron

hablar  
hablé                hablamos  
hablaste            hablasteis  
habló                hablaron

- The form is the same in the preterit as it is in the present for -ar verbs. (watch context)
- Be sure to pay close attention to where the accent marks belong!

- Ejemplos:

Caminar

Caminé              caminamos  
caminaste          caminasteis  
caminó              caminaron

Yo caminé a la tienda ayer.

hablar
